The Premises:

Near Anerley station. Safe basement flat with front and discrete rear entrances. Clean but dull waiting lounge with TV and video available. The circular bed and mirror wall add zest to the bedroom experience. Friendly maid offers drinks before and after.

The Lady:

The first thing you notice about Vicky, after the sight of her gorgeous body clad only in the briefest of thongs and bra, is her delightful smile and beautiful face (which sadly are omitted on Debbie?s website). About 5? 7? in heels, dark blond hair and a creamy skin complete the picture, but wait till Vicky turns away and get a load of the neat tats rippling on her well-formed arse and back.

The Story:

Greeted with smiles, cuddling and some friendly kisses, it?s easy to discuss your wants and needs with Vicky and I quickly settled on my usual choice of the House Special, good value and a real benefit of visiting Debbie?s. Once the cash was exchanged and the towels found, the fun began in the shower ? plenty of sexy French kissing, fondling and slipping and sliding body to body are a great start to a visit.

Back in the bedroom, mutual drying before the mirror led to the bed and a massage from Vicky?s cool, soft, attentive hands on all the right places. Vicky followed up by brushing my lips teasingly with each of her boobs until I took the initiative to turn her on her back and feast on her pussy, which produced purrs of delight. Once I was covered, Vicky?s oral was sheer pleasure. Needless to say the sex was great and well up to expectations.

After cleaning me up, Vicky returned to more cuddling and kissing and some friendly chat before it was time to dress and say ?au revoir?, (!?ll certainly be back!), with yet more kisses and cuddles. A really great GFE.
