The Premises:

Julies place is clean and warm. With Julies easy instructions over the phone I had no problem finding her. Very safe with main door that leads to many flats. No one bothers you at all.

The Lady:

Julie is a tall blonde, mid forties I would say and very sexy with all the right offers. Nice kiss to wellcome you in through the door. Then offer of a drink, took the orange. (Driving) Lead upstairs and enjoyed all that Julie had to offer me.

The Story:

Very sexy woman, and very good at making you fell right at ease straight away. I had some bad times before so after reading the other reports left for her I was not worried about getting a bad time. OWO, lots of kissing, rev oral, Misc, doggy and cuddles. Time spent with Julie is well worth the visit. Happy to return and happy to leave her this report. See you soon Gary. X
