The Lady:

Slim young Turkish girl, early 20s, shaven pussy, nice breasts with large areoli and suckable nipples.

The Story:

This girl gives a good service. Only been working a few days at this location. Spent quite a long time snogging and fingering her pussy to start with, before settling into a good sixty-nine, which was quite sustained and ended up with me shooting a good load down her throat. She obligingly swallowed most of it, despite it being a bit much for her. She then spend a lot of time vainly trying to get me to come a second time within the hour. If we had had another half-hour she would have managed it - her sucking was very skilled and deserves a medal for effort. All in all well worth a visit.
