The Story:

I arrived early for my appointment to find that there had been some duplicate booking. Knowing that one quite often waits at Debbie's I was prepared for this and sat in the lounge alternatively listening to Debbie answering the phone and groping me! When my turn came, Debbie decided that as I had waited so patiently, she would join in the fun. The three of us showered and as always Debbie came in the shower. Then back to the bedroom for initially a threesome, until Debbie resumed her telephone duties. Then Lorraine really came into her own. Her lips, tits, fingers, ass, pussy were everywhere. She is magnificent.
