The Premises:

Nice clean flat on the corner of Old Compton Street. Felt nice and safe and had a friendly chat with the maid while waiting.

The Lady:

Beautiful blonde, possibly the best looking girl ever to have worked in Soho.

The Story:

This was the second time I have seen the legendary Paris, and it won't be the last. After an amazing couple of minutes of covered oral, had lovely sex with her, then finished with a fantastic handjob.

Need to start saving some pennies, as ten minutes is nowhere near enough time with her. Not only is she drop-dead gorgeous, she is also very friendly and great company.

I join a long line of people recommending this wonderful girl. Can't wait to see her again. I described her as a "Punternet Superstar" when I saw her, which amused her....
