The Premises:

Ground floor flat near the shopping centre. The bedroom was clean and furnished to a high standard.

The Lady:

Raven haired beauty with a great tan. She has curves in all the right places. Pictures on the website are accurate. Like previous reviewers, I doubt that she is Dutch.

The Story:

This was my first visit to the House of Divine as I normally visit girls who work on their own but I was encouraged after reading that the HOD is now more of an independent experience.

I was let in by another lady who ushered me into a bedroom and told me that Lea would join me soon. Lea appeared looking stunning in a figure hugging pink mini dress with matching underwear. She gave me a drink and we had a brief chat.

We both got undressed and she started with a good massage. After turning over we indulged in some foreplay before she gave me a covered blow job. She started slowly, then speeded up. I felt I was on the verge so I asked her to stop as I wanted to come inside her. I chose doggy position. It felt really good inside her and I came sooner than I would have liked.

There were still 15 mins left. She suggested another massage but I wanted some cuddling instead which she agreed to. She rubbed her body next to mine and I soon had another hard on. There was no kissing. I didn't ask her if she wanted to. She finished by giving me a hand job. I didn't cum a second time. I never do in half an hour.

In retrospect, I would have changed the order and done the cuddling part before the BJ and sex but I sometimes take a while to cum so I wanted to make sure I had some time to spare. I found Lea to be very sexy so I had no problems in that department.

I chose Lea as she looked like Erika who worked at Escorts1 and Independent Escorts before

returning home. If, like me, you miss Erika I would certainly recommend Lea. She made me feel welcome and made sure I had a good time and gave me the full half hour.
