The Premises:

London Retreat is a well equipped, clean and well run establishment. Located not far from the underground station and with plenty of street parking. Basement entrance is quite discreet.

The Lady:

Photos on the web site are accurate. Gemma is tall with a great figure, lovely blond hair and fine breasts and bum.

The Story:

I opted for my usual LR session with body worship, spanking, paddling and CBT on the cross, finishing on the bed with a nice oily hand job. Gemma made this into something special. She listened very carefully to what I wanted and added a few little special touches. She delivered just the right level and mix of pleasure and pain. I've been a regular at London Retreat for some time, and this session must be one of the best. Highly recommended.
