The Story:

Greeted at door wearing uniform i had requested(one in pictures) looked sexy, fit toned body pert boobs nice firm arse, started with short chat in room, moved into bedroom undressed then some french kissing which was ok, moved down to owo while i was stood up which was a good sight, asked if i wanted to put a rubber on after a couple of mins i declined(felt quite rushed), layed on bed for some oarl on monika not much response from monika, just layed there realy,some more owo which she is good at,(interrupted by door bell which she checked on but no one there found out after i was parked in someones space due to note on car when i went out)then on with rubber for some sex with her on top nice and tight,again not really much effort put in no expression, felt as though was just going through the motions, ended with her on top, offered a shower but declined. Nice sexy lady but feel wound'nt return to see her again. But maybe one of the other ladys.
