The Premises:

Sensations is a well known establishment. As so often, I was able to park (free) almost right outside.

The Lady:

Amy is 5ft 9in in her stockinged feet with black hair, brown eyes, delightfully slim but with 34dd (natural) boobs. No piercings or tattoos.

The Story:

Sensations does it again! Physically my perfect woman with a gorgeous personality and wonderful sense of humour. I thoroughly enjoyed the whole experience from Amy's body to body, mutual cuddling and caressing, oral with, cowgirl and a finish in mish.

Amy is there on Thursdays and I intend to repeat the experience whenever I can get there on that day. She set out to make sure I enjoyed the experience and it appeared it may have been mutual.
