The Story:

met Jazz at the end of her shift, yet she was still really warm and easy going and put me at ease (i confessed to being a bit nervous as I had only done this once before) chatted for a bit then Jazz gave me a massage which got quite erotic. after being on top we swapped over and she really seemed to know what she was doing and let me touch her breasts and sexy body. she was not in a hurry and i had a really good time and will go back to indian-palace. report doesn't do justice. thanks Jazz!
