The Premises:

Lady Marmalade runs the best gentlemen's parties in town. Splendid town house.

The Lady:

Seven gorgeous gals partying - Jewels (friend from previous visits, and newcomers (to me) Jessica, Chanelle, Natalie and Petra....with the incredible duo of Monique and Renate. Chaps - you ain't seen bopdies and tits like these until you've met these charmers.

The Story:

This is the land of the exquisite company of Chanelle; Jewels; the Brazilian trio of Renata, Monique and Natalie; and the brace of Baltic beauties Petra and Jessica. All I can say is that my lo-o-o-o-ng absence from LMP resulted in some considerable cummuppance.

We chaps were outnumbered 10-7 by the ladies, but there never seemed to be any more than six of us lads being pinned down at any one time.

So being starting off by being pleased by the gorgeous duo and four even more gorgeous tits of Monique and Renata. So-o-o-o-o enjoyable.

Managed in the two hours to clamber on each of the Magnificent Seven Gals, and cum twice (not bad for age 66). This included being assaulted in the swing, and ferociously wanked (though thankfully not to a conclusion) by Jewels.

The Swing Room was a hotbed of writhing bodies, and I added to the melee by taking Natalie in doggy, then moving with her to the Back Room to cum in front of the mirror, having the extra delight of being able to watch her delightful neat titties juggling away in time to the action. Also succumbed to the ministrations of Jessica and Petra at different times in the Perving Room.

It's odd how the action goes. At one point, there were three of us Scots ? Ian, Ron and me, Jock ? plus a an Irishman, with Jewels (Welsh, from North Wales) in the Back Room, demonstrating to the Anglo-Saxon world exactly how Celtic Connections flourish.

The two hours passed in a glorious shagfest, with darling Jewels in the Perving Room first taking me doggy against the dressing table, and then trying to make me cum over her tits. I failed ? and this was where Chanelle of the beautiful bum, warm personality and endless patience stepped in.

To a background on the single bed of Caledonian Colleague Ian being ravaged by Petra and Jessica, Channele had me on the double bed in doggy. To the encouragement of Jewels, Monique and Renata ? plus the sight of Ian sinking fast under the Latvian/Lithuanian Lovelies ? I eventually shot everything after a simply marathon fuckfest.

I can?t imagine there?s anything to rival Lady M?s apartment anywhere on the planet. So to Em, Moss and Chris, my sincere thanks for the organisation ? and much loves and kisses to the incredible girls.
