The Premises:

The entrance is down a side street, generally unobserved by the public. The place itself is in need of a refurb, at least in the public areas. The room was clean, tidy and fairly roomy, if a little dark.

The Lady:

O.M.G. (as I believe younger folk would say). A real looker, rather than simply looking the part, with a fabulous 34DD figure and a chatty, warm, friendly personality.

The Story:

Looking at the photos of Taylor on the Bentley's website in no way prepared me for the gorgeous girl who took me into her room and showed me the best reason for being awake on a Saturday morning I've ever known. I won't divulge too much of what went on between us other than to say that she rubbed me up the right way with her massage, 'heads' the class in her o-levels, and is a gold medallist in bedroom gymnastics.

If I were being selfish, I'd not recommend her to other punters - but that would be denying you the opportunity to sample Bentley's finest treasure.

And Taylor, if you're reading this - I hope you like your new nails...
