The Premises:

I met Diana at her spacious and immaculate apartment just off the M62 near Leeds. It was very safe and clean, as I parked my car at the rear of the apartments,

The Lady:

Diana is 5'6" tall with blond hair, with legs that are to die for. She dressed very smartly for the occasion in a black tight fitting dress, stockings and killer heels, with some nice underwear.

The Story:

Diana is a classy lady, and one you could take to any occasion.

We started the meeting in the lounge with a drink and a chat about all sorts of things. Diana was close to me on the sofa and started to take the lead, and it was then that we decided to move to the bedroom. After I unzipped her dress, Diana slowly undressed me and then we got onto the bed.

From this point, things started to move on, slowly of course.

Diana got me close to the edge, and I had to stop her, and changed positions where I placed my head in between those gorgeous legs to give her some oral.

I guessed Diana enjoyed the meeting, as she was making some noises when I was licking her lovely pussy. I know I enjoyed it.

Thanks Diana
