The Story:

OK, theres a new kid on the block!! and she's basically kicking everyone else's ass in terms of service and the way she approaches her work. After many years punting my sesh with Belinda beat the best, by miles. She has a seriously high sex drive and loves here work, there was also no comprehension of time and she wasnt going to let me walk out of there without a bit more fun. Hell I had a shower before leaving and had to practically fight her off to get dressed (didnt fight that hard though). Amazing time and still getting flashbacks days after.
