The Story:

With so many reviews about Leila, I decided to save up, and I will say was worth it by a mile. 10 out of 10 on welcoming me, 10 out of 10 for service. What escort will match up to her? Girls like Roxy long time ago. I must say I had the time of my life, extended rimming, and non stop cock and ball sucking, alternating between the two. Off loaded my spunk and within min ready for round 2. We actually ran over time by 15 min. She is a lovely girl, some moment during the service I had to ask my self is this actualy happening. Sex was a totally different class. Perfection comes to mind.
