The Premises:

new modern apartment block, with buzzer entry system, which made the visit feel anonymous as i could have been visiting any number of flats.(the previous address was exposed and the neighbours knew the score making things difficult at times). safe area and flat was spotless , tidy and warm.

The Lady:

oriental. petite, 4'10" maybe. size 6. skinny but with suprisingly large boobs.
pretty, clean and neat bush. dressed in chinese traditional robe. sadly underwear did not match,but that came off soon enough.

The Story:

she was maid at previous place, now working for herself and seeing how busy new venue is before taking on a girl.don't bother do it yourself!! the best of any that worked before.kisses all over, slow sensuous, frech kissing and gentle biting of lip (mild fag breath but as an ex smoker didn't bother me). rimmed me (again fag breath not a problem :-) and i mean rimmed me good.blowie,fingers up my arse, then she laid on top of me with fingers still up my arse and kind of humped me in missionary with her tits in my mouth. weird..a first..erotic. then i fucked her.tossing her around like a rag doll. collapsed knackered and happy.she asked "was it ok?",are you joking!!! will return very soon.
