The Premises:

flagged down a taxi from marylebone station, but realised was 2 min walk. No wonder the black cab didn't want to pick me up.

The Lady:

slim and fair skin. And loved her video on her site. That did it for me. Although I prefer dark skin.

The Story:

I just finished writing reviews and stumbled accross Jodie independent site and called her up. She sounded verry friendly and tipsy, so I taught what the hell, let`s go. She was all for anything I ordered. Saying she had no job today, and I was her 1st customer and she was horny. Well who cares. I just came to fuck her brains out. And I really fucked this little slut hard and she orgasmed pulling the bed sheet. She was up for round two as I had not come yet. So I asked for anal sex. She was very tight but was deep and could take it all. And she came again. I then settled for cim and had a shower and left happy.
