The Premises:

Reasonably easy to find, plenty of safe parking, easy for nervous first time punters to visit! Shops nearby to go to if you chicken out at the last minute, etc.

The Lady:

20, 5ft, slim, reasonably pretty face and figure. Mostly shaven below, but stubbly.

The Story:

Chatty ex-escort, plenty of time to chat as the 1 hour included double jacuzzi which takes time to fill - and she'd been in twice today so she didn't join me. No kissing, oral with, reverse oral, fingering, various positions - all on the bed. Ended with an oily wank - which was a good finale believe it or not. Nice cuddling and shower afterwards - happy punter. Thanks to Galahad for all this by the way:-)
