### The Premises:

Previously reported very quiet location in a residential area, but parking outside the corner shop doesn't attract too much attention. Inside (after you get past the male assistant) everything is fine and comfortable. Nice CCTV so you can watch the door while you wait.

### The Lady:

Absolutely stunning and petite size 8 oriental goddess from Hong Kong. She was exceptionally friendly, and giggly.. Fell in love with her instantly and wanted the moment to last. Sexy feet and short legs with a delicate tattoo on her inner ankle (right) Lovely clean long dark hair and just perfect pert nipples on tiniest of breasts...

### The Story:

She was fun from the word go....she even let me take a photograph before we started as long as it was without any facial detail.... so I fired off a couple of shots with my camera and got down to business. We played for a bit rolling around on the bed, she gave me a boob job which took me straight to the point! then when I felt I could get a bit over excited I asked her to put on the condom, which she did with her hands, kneeling down as I stood at the end of the bed. Then she took my blue condommed dick in her mouth and gave me some exquisite oral... I couldn't take too much of it so I laid her down and took the missionary on the bed, soon her legs and feet were round my ears and this is when I noticed the tattoo. I licked it and then her feet. She squirmed with excitement as she seemed to be getting a real one here... Then it was turn her round to pump her from behind, which is where I eventually released everything I had into that blue rubber deep inside her pussy, ramming her hard from behind and pawing at her breasts, and licking her back. This was probably one of the best punts I have ever had... the old man was playing properly for once, he was certainly keen to show her a good time, and I was only too glad that when it was all over she lay down beside me and lovingly cleaned me up before I left totally satisfied.
