The Story:

Worst punt of all time, I hope this gets published for the sake of all others out there.

Paid for full service, all incl for half hour.

After 15 mins she was still running about taking calls promising to be somewhere else in 10 minutes. She left the flat, leaving me starkers so I decided to leave.

She came back accused me of stealing stuff (naked!!) and her boyfriend was on his way to give me a pasting.... nice.

Avoid at all costs, Lisa, promises everything, delivers nothing
