The Premises:

VERY discreet private house with good parking directly outside the front door. Felt very safe and comfortable in a private residential cul-de-sac street. The house was cosy and very comfortable and clean

The Lady:

This lady lives up to her description. She has amazing blue eyes and a great figure. She says she is 51, if that is true she is in great shape for a 40 year old! Excellent legs, beautiful bum and the best bit lovely breasts and nipples. All round a physical delight. I couldn't wait to massage her!!!!!!!!!!

The Story:

I had spoken to Carol on the phone. This was my first visit. I wanted a GFE and asked her to wear a little black dress with heels, holdups and sexy lingerie. She did and I was thrilled. After getting to know each other we went up to the bedroom where Carol revealed all. My first sight of her naked. WOW! Every bit of her was gorgeous. From then what went on between us is for me to know and you to find out. I can definitely recommend this lady. Treat her well and she will repay you bigtime. Tell her 'grumpy old man' sends his love. Can't wait to see her again.
