The Premises:

wardour st end. narrow stairs. unlike previous reports not exactly clean and tidy, if i were to compare it to a hotel then it would not be the burj al arab more like a youth hostel. shabby and run down.

The Lady:

size 8 cute, petite , huge tits for her frame 34 ee ?, thought she looked a bit like amy winehouse half way through humping her. dark hair with facial piercing. upon further study when naked she has 3 nipples. small one under her left breast !. she also had a loose vag. lips dangling like pat butchers ear-rings. some tattoos.

The Story:

stripped off, great body. played with me to get hard, put condom on with mouth, blow job good. got on top, very loose especially with the amount of lube used. fake ooh baby stuff she looked bored. doggy hard and fast. i got bored ! asked to flip her over.. then the highlight , drum roll please, she took my cock straight from her pussy and sucked it all down whilst giving me eye contact. fucked her face. she showed a real sense of enjoyment. very deep aggressive licking and slurping, poor girl couldn't have eaten for a week, she was ravenous. neither of us were bored :-) pulled out fucked her again and finished off. have a go but i won't return. NOT gonna be a legend. leaves 15th may back to "greece".
