### The Premises:

We met in a modern city centre apartment. Felt perfectly safe and the flat itself was well appointed. I was offered a shower before I left with freshly laundered towel: all very civilised and clean.

### The Lady:

Ashlee matches my personal ideal and, of course, this may differ from yours. However, you are reading this because perhaps you've already visited her website and, like me, a head-turning petite brunette usually floats your boat. Ashlee in person is intelligent, gentle, stunningly attractive but attractively modest - the sort of woman you'd be both comfortable and proud to accompany anywhere, but equally grinning ear to ear to take to bed. Her glorious natural breasts are just the perfect shape and size, she has a wonderful slim waist to hold her close, gorgeous shapely legs, beautiful eyes and a knockout smile. If you find a stylishly assured but demurely feminine lady sexually irresistible, book to see her.

### The Story:

Our bedroom fun began with gentle snogging - as I'm a foot taller we chuckled over this requiring a little adjustment to avoid her getting a crick in her neck! - followed by slow sensual OWO. I then reciprocated, which was much appreciated and rewarded with a softly spoken 'thank you' and lovely smile. Time for the condom and I entered her in missionary; she became ever more responsive, eventually with her legs over my shoulders, her bottom lifted, her lovely pussy gliding eagerly up and down my shaft. She became increasingly vocal, her body trembling, and then both of us reached protracted happy endings. Perfection!

Would I visit her again?... you won't take too long to know the answer to that...
