The Lady:

She has got great tits. She is very proud of her tits, so make sure you remark on them. I am more of a cunt man, so maybe we got off on the wrong foot!

The Story:

She has a bit of an attitude and I found it hard to relax. She was asking me lots and lots of questions. For gods sake woman, I didn;t bring you here for a quiz, I just want you to get naked and suck my cock! Anyway, when she had her mouth full it was not too bad. She is very pretty and if you like big tits, she is your girl- too much like hard work for me.
