The Premises:

Very posh flat in Victoria used for Rendez-Vous of this type. Not her flat. Good bed.

The Lady:

Classy, attractive 30-something English lady. Blonde hair, Posh attitude (that's part of the act). Very fit; in training to be a trainer. Enhanced breasts, but a very good job. Great body.

The Story:

I had tried to book Joanna before, but we never got it together. She is very friendly on the phone and gave good directions.

She met me wearing a corset and skirt and looked exceptional. She has brilliant blonde hair which she had not styled, which made her ever sexier looking. Maybe not a 10, but close.

Very classy. All of the regular services are on offer, including lots of deep kissing, OWO, etc. I spent a lot of time with my face between her legs assisted by a small vibe; she came like there was no tomorrow and then proceeded to fuck me in most positions known to man and woman. Since I am an old fart, she was happy to slow down and take me at my pace.

We probably went a bit over, but she was in no hurry. Possibly the best part was watching her dress afterwards, putting on a very pretty dress that was completely different to the outfit she wore when I entered the flat.

Highly recommended.
