The Lady:

Sexy and gorgeous 35 year old curvy brunette girl with large natural 34DD breasts and suckable nipples, non-smoker and no tattoos. She looks nice and friendly.

The Story:

After seven previous punts with six blonde babes, Robyn was my first ever brunette that I ever met, she arrived wearing a lovely ice-cream top with shorts and tights and boots on her arrival, I hand over the money and then we went to do some intimate time together.

Robyn and I got undressed and we laid down in bed together with full of cuddling, caressing and exploring each other's naked bodies. When Robyn took my boxers off, she rubbed my penis to make it more stiff and erect then I did the same thing to Robyn by taking her bra and her thong off to caress her shaved vagina to make it wet and tight before we and have oral sex.

I put my strawberry flavoured condom on my penis and Robyn sucked and licked my erect penis then I licked her wet vagina and I sucked her clit then I fingered her before I went inside her for some good sex.

Robyn and I had sex in missionary, cowgirl, sitting, spoons and finally Robyn and I had an orgasm together in a missionary position and both of us cuddled each other after we both had sex.

Then we did the same thing in round two and we both had an explosive orgasm together, After Robyn and I having an intimate time, we both had a nice bath and then we get dressed and we bid each other's farewells and this was my first ever punt with a gorgeous brunette like you.

I will see you next time for another intimate session with you Robyn, great girlfriend experience and great lady!!!
