The Premises:

Located in a flat on London Road, town end near Midland Road, you go in through a door round the back, so its not to obvious.

Flat and room you go in are clean and tidy, offered tea/coffee and she makes you feel very safe and welcome.

The Lady:

She has been described before as "Beyonce look-alike, from Sheffield" and she did not disappoint. Lovely face, nice 'huge' natural boobs, great body. Most of all her attitude, I got on really well with her, plus she liked my Northern accent (Derby is in the south to me!).

The Story:

Unfortunately I only had enough money for massage and hand relief, but I tell you she was fantastic, lots of attention and playing around, she even stopped for a while to stop me 'going to soon', letting me play with her for a bit. Fantastic lady and I will be visiting her place again when I?m next in Derby, to see her or another of their girls (see Stacy, next report).

I've been to the well known Spa in Derby before and this was far better value for money, I just wish i'd know earlier they were here.
