The Premises:

very nice cosy flat, plenty of parking on road, very save as it has electric gate and not far from police station!!!

The Lady:

very pitete and cute thai lady, with a lovely smile.
smooth skin, long dark hair and cleanly shaven, just how i like them.
a little fire craker.

The Story:

this is my 2nd visit here but with a different girl, booked an hr as her driver who answers the phone says she does a wicked thai massage and it's on speciall offer only ?80 instead of ?100, i wasn't dissapionted. turned over for the fun part, she licked my balls and sucked on my tool bareback, so i turned her round to taste her honey, had to stop her before i shot my load.
on with the rain coat and shagged her in many positions and finished in mash as that's my fav to finish. wasn't rushed even had a shower before i left.
