### The Premises:

Convenient hotel in euston

### The Lady:

Tall (5-9ish) redhead in fairly good shape for a woman past her 40s

### The Story:

I'm partial to taller ladies and have been with a few mature ladies in the past so when I came across Angie (no pun intended)I gave her a try. With mature ladies I add in a bit of role play, which they must get pretty frequently as she was ready to roll with whatever. Decent bj and sex - about what you would expect with fucking a 40+ yo lady. role play adding some interesting spice but all in all enjoyable punt. Nice lady - good way to spend the afternoon
