Details of Service Provider:

The Premises:

First walkup on the left as you come in from Charing Cross Road. Bedroom and bathroom and another room downstairs so the maid and anyone waiting are well out the way. Lots of pics of girls around the bedroom. Same as most the other walkups - there is a bed so who cares about the rest?

The Lady:

Slim attractive blond girl with good size, round, firm tits - seemed natural. Early/mid 20's? Nothing to complain about in the looks department - I wanted a good looking blond and thats what I got with Chloe

The Story:

A good shag - not great but not bad either. Tried putting the condom on before I was hard (always annoying) but after playing with her tits a bit that was soon sorted out. she lay back, I got on top and we went through the motions. Quite mechanical apart from the occasional moan. As soon as I was done she was dressed and out the door to go and carry on her chat with the maid

Dont get me wrong, she is worth a visit but dont expect the kind of service you get with some other girls. I would visit her again if my over favorites are not working but based more on her looks then anything else
