The Premises:

A little ground floor flat, clean but can see decorating is being done. The area was ok and had no trouble as can park car out side her window. All in all I felt safe and thought that the flat was comfey.

The Lady:

Thought she was very attractive and made me feel very at ease.

The Story:

Started with owo, where she licked my balls, playing with my cock and then gave me deep throat. We then moved on to sex, where I started on top and then moved on to doggy. This was a great time and money well spent. I will be going back again and might be sooner than I thought.
