### The Premises:

As previously reported. Nice, clean, safe, good parking, pleasant maid, etc. Extremely professional and comfortable environment.

### The Lady:

Petite...pocket rocket would not be far wrong. Late 20s, small boobs, slim, pretty, great company...effervescent personality, very warm, open, friendly, engaging. Really enjoyed spending time with her.

### The Story:

I generally eschew sensual massage and this was only my second visit to Ego. For better or for worse I'm a "full personal" punter and I can't really see the point of paying 50 quid for a wank. As for the massage, if I wanted one of those I'd get a professional one from a sports therapist. Michelle, however, may be enough to convert me. She delivered an excellent sensual massage which is to say that the massage itself was, while not quite professional strength, very, very competent amateur strength indeed; the sensual bit was very sensual and nicely delivered, and the HR at the end was damn near as good as a punt. On top of which she was just a brilliant girl. An outstanding half an hour and while I remain a "full personal" punter by choice, there is no question I will go back to Ego to see Michelle. Highly recommended.
