The Premises:

A nice newly renavated house, discrete side entrance with local parking in a nice area, close to the supermarket. The rooms were well decorated, light and airy - not cold or too warm, with pleant of space. Good shower in bath with warm clean towel.

The Lady:

Sarah is Latvian - attractive dark hair girl - early 20s and a sweet smile with sparkling eyes, nice makeup and dressed as featured on her webpage. A very attractive girl size 8 about 5ft 7 in heels showing plenty of cleavage. Proved to be very accomadating adventourous.

The Story:

The maid led me upstairs and had a choice of rooms, I had seen Sarah the month before while my faverite Roxy had been away on extended holiday. After a splash in the shower, I entered the room to a welcome kiss and she sorted the money downstairs while I adjusted the movable mirrors. Started with some dirty dancing cuddling and getting her nicks off. Asking her to keep her basque on popping her soft bust out. WOW that made me horny as she proceeded to start with oral and fitting a rubber, then climbing on top. I knew I was not going to last long dispite the delay action of a calis tablet, so suggested a knee trembler in front of the mirrow - first front then standing doggy bouncing her boobs.

Changed to mish standing at the corner of the bed and pounded away watching her boobs bounce with a smile on her face and my arms round her shoulders. Its nice to find an adventourous lady like this and finished off with both of us just about exhausted as she started in cowgirl working her hips as I cupped and sucked those lovely large soft bouncy boobs.

Thanks Sarah - you are a star. One of the best 10 sessions that I have encountered over the last 3 decades.
