The Premises:

Well known but always better when Fiona is around to greet you and lead you up the stairs :) In a room I hadn't been in before - a smaller one but nice shower and no problems at all.

The Lady:

Oh Kerri is gorgeous! The pics are good enough but add a lovely, refined gentle face and she is a wow.

Sensational body with enhanced boobs that I can take or leave but no problem on a fit but fit body.

The Story:

Kerri is one of those gorgeous but so sweet black girls that make me swoon (sort of). She has a natural innocence that is very becoming but she is fully involved with you.

I didn't ask about her range of services other than ro but I am guessing she is fairly restricted about what she does but I never had any sign to stop doing anything tho I didn't push my luck.

Lovely mutually strokey massage cum chat to relax us both and then a good oral that became a delightful 69.

The sex was like being with Naomi Campbell lookwise and I had a great time.

Amazed there are no other FRs; a hidden gem in my view.
