The Story:

Mai is very friendly and enjoys her work if you are clean and polite. She is very committed to you having a good time.

I undressed, she cleaned the equipment and immediately took me in her mouth. Not deep throat she does, however, have an excellent and varied technique (in my experience only Pinky was better). Her tongue works tirelessly licking, caressing and flicking and she hardly uses her hands at all. She was in no hurry to make me cum and seemed happy enough when I held her head and thrust back gently into her mouth. Eventually I erupted and she held me in her mouth until I'd finished. She looked at me with her lips tightly shut around a mouthful and hummed with appreciation. I thought she was going to swallow but unfortunately not.

I took the massage offered which was firm and expert. This turned into a very sensuous finger tip massage and I turned over. She was about to go down on me again but I kissed her instead. She returned the kiss and this developed into some enthusiastic snogging. I lay her back on the bed, spread her legs high and wide and told her to hold them like that which she did. She has a particularly pretty pussy, completely smooth and fresh so I licked and gently fingered her for some time. After another snog I offered her my cock and she gave me another great bbbj until I was completely hard. She offered and then put on a condom and applied lube then asked me who should be on top. She guided me inside her and made more appreciative noises as I fucked her missionary. I increased the pace which she seemed to like. I asked for Doggy and she changed positions quickly. She wriggled into a comfortable position for us and I was soon fuking her as hard as I could. Mai is not overly delicate and can take a vigorous fuck and she sure looked good with her face pressed into the bed with arms spreadeagled and fists clutching the sheets.

After I came she cleaned me up, gave me my clothes and thanked me with a smile. It felt a little rushed but the hour was up.

Mai is certainly an expert at fellation and this was amongst the best ?100 an hour sex I've ever had

and better than much of the ?150 an hour sex.
