The Premises:

Cant remember the number but it is halfway along the street on the right if you come from charing cross road. You go in the door on the street, straight up about 10 stairs and the door to the flat is right at the top of the stairs. Not the most discreet place but not too bad. They usually have a small picture on the door outside of the girl working. Once inside much like other walkups - a room with a bed.

The Lady:

I had seen Vickys picture on the door a few times as I had walked past and wanted to see if she was as pretty in real life - I wasn't dissapointed! Very pretty, slim young (early 20s?) blond. Toned and sexy body but small tits.

The Story:

Paid ?25 for sex only. She lay down on the bed next to me and started rubbing my dick while I rubbed her tits and sexy arse and pretty much all over her body. Then on with the condom and into mish. She seemed into it and looked hot smiling at me in the mirror running the full length of the bed.

I ended up here because none of my favorites were working today, next time she will be one of my first stops
