The Premises:

Dodgy basement flat, lots of mirrors, not that clean.

The Lady:

She has blonde hair, thats the only resemblance. Classic bait and switch.

The Story:

Rang and asked about Giovana, agency said she had rave reviews and an "incredible body" got to the flat in a pouring rain storm, was just glad to get inside as i was soaked.

First impression was that she was a bit older, but friendly and in a sexy corset/nightie type outfit that puched her tits up and hid her figure, nice legs.. Went to shower and came back- found she had taken her clothes off and was confronted with a middle age woman with a large beer gut and huge saggy tits. I tried to get into it as i had paid already, but she looked like a 20 quid walk-up girl only worse. Told her to cut it out and i was going- managed to claw 50 quid back from agency, she then tried to short-change me... and Harriet Harman thinks punters exploit girls!

Avoid this girl. I will also avoid this agency in future, which is a pity as i have happily used them for years. You have been warned.
