The Premises:

Very easy to find - about ten minutes' walk from Chalkwell Station. Clean flat, with a porn DVD playing and a mirror suitably situated!

The Lady:

This is a pure sex kitten, MILF style. Saffy is very attractive, with a great body - I'd say a size ten. On the mature side, but that gives her even more allure, and she does not look any older than early 30s. Dressed in leather, as requested (including crotchless trousers!) she was a real explosion. If sex appeal could be converted to oil, she could light up the planet!

The Story:

Saffy is a delightful combination of porn star imagination, lively personality and extrovert ease. We spent most of the time with my tongue clamped below, which she seemed to enjoy. That was my choice - she'd have been happy doing other things as well.

Her innocently knowing laugh was also an utter turn on. In fact, we were both having so much fun I wish I'd booked her for two hours. She'd be worth the extra time.

Saffy is the sort of experience everyone should have once. Trouble is, once is just not enough!
