The Story:

Same old story.

Advertises on the ** site and CIM is one of her "likes" Took the trouble to e mail her first to confirm she did this service and how much. E mailed me back to confirm she does it and the cost would be extra ?20.

Duly arrived at flat handed over the ?60 plus ?20, for CIM as agreed. Had massage give her a good seeing to then asked her to take off condom for the CIM finish. She then flatly refused saying it was not safe and she had never agreed to it.

I reminded of her e mail and agreeing to it before we started, to which she replied "I did not agree to that, the ?20 extra was a tip and you are not getting it back"

I screwed her doggie to the finish, dressed and left.

Yet another Eastern European cheat who gives genuine working girls a bad name AVOID
