The Story:

A fantastic pair of ladies. Entertainment with a capital E - there twosome has to be seen to be believed, it was though just a tad too much for a meek fella like me, boy did they make me laugh though. After the first 30 minutes for 80 with them both I really wanted some one on one time with the sexiest most wonderful brunette I think I have ever met. She was absolutely wonderful almost from another planet. Thank you
