The Premises:

Very clean and nice. Felt safe and was easy to find.

The Lady:

She was hot. Her photo did not do her justice.

The Story:

Hot bd/sm action. I arrived and she was wearing a hot latex outfit with no panties and you could see her gleaming shaved pussy lips popping out the bottom. She gave me an incredible blow job, sucking on my balls, licking my ass and then swallowing my whole load.

After she had me lie down on the bed and whipped my cock back into submission and then shoved my cock up her arse. She finished me again by sucking my cock while fingering my ass.

I speak Thai so it was nice to talk to her in her native language though her English is fine. Note that she is only over on a 3 month visa so the next "suki" could be someone else. The man her answers the phone to take bookings was very helpful and honest about the girls.
