The Story:

I don't know why I've never submitted a report on the Gentleman's Club before .. it is a favourite haunt, particularly at weekends, and I will often find myself drawn here three or four times a year. Plymouth is close enough to home for me, and popping out to GC is my idea of a great way to wind down after a week on the road.

So today I came mid week and only Bea was available. Never mind, she looked fantastic, and naked she looked even better - gorgeous tits and a very suckable shaved pussy. I only wish I could have lasted longer, but the fact that the session went so quickly is a testament to the raw animal sexuality of this girl.
