The Story:

Well I'm not really into parlours these days and this was a last minute decision owing to a planned punt falling through as detailed elsewhere. My first punt with anyone other than Nicoletta for six months, the longest I've only seen one wg since I started punting many years ago.

By this time the only options of Sheffield parlours that I knew about (ie that were in my phone) were GFE and Dipolmat, the other three being either closed or closing. I also dislike going without perusing the web sites beforehand, although the Diplomat website tells you nothing as it isn't updated like GFE.

I phoned Diplomat, and as ever there were a veritable galaxy of girls on, about 5 or 6 I think, but as ever with this place the descriptions of services were completely vague.

So I decided on GFE. Of the three girls on all were available and I decided on Emily.

She proved to be a good choice. A Polish girl with excellent English she gave me a very erotic body to body massage, taking the lead and becoming quite dominant which I didn't mind. I found her very erotic. OWO was brief and kissing which I subsequently found was available in other reports wasn't forthcoming. I also didn't get the chance to suck on those gorgeous tits. However as I say she still provided a very satisfying and erotic service. One or two of her other reports which I saw afterwards suggest she isn't experienced. On the contrary I found her to be very aware of what she was doing and good at it.

I wasn't really up for sex but came with her giving me a very intense bout of face sitting, something that always turns me on.

A very satisfactory encounter after the earlier disappointment.
