The Story:

On arrival, I was offered refreshments.

We chatted about massage oils and she produced a number for me to choose from.

She then massaged my back, straying to the intimate areas from time to time.

On turning over, she moved up to my face and removed her skimpy pink thong, then lowered her perfectly smooth body onto my mouth. Her top was lowered to allow access to her pert boobs, the nipples quickly hardening.

I really enjoyed giving oral to such a delightfull lady, and she soon declared that she was about to orgasm with a shudder and so vocals.

After a brief rest, it was my turn. She was so good at the ministrations that I did not last long before coming to a very satisfying climax.

Hunni the continued to massage me, moving my hand to her boob as she massaged my arms, then legs.

I hope she enjoyed the meet as much as I did, and we did overrun a little.

Thanks again Hunni, looking forward to my next visit
