### The Premises:

Nicely appointed flat 5 minutes walk from Knightsbridge tube station. Nice, safe area.

### The Lady:

I had been thinking about visiting Roxxy for some time - shame on me, because I now realise what I had been missing. Roxxy has an amazing face, body and mind and is very much at ease with her very considerable sexuality, very experienced and highly accomodating in every sense, and an amusing conversationalist with a delightful and very sexy Russian accent.

### The Story:

I strongly recommend that you use the lift to get to Roxxy's 4th floor apartment because if my experience was anything to go by you'll need to have conserved all your energy for the behind-the-bedroom door action that will surely follow. Getting downstairs again is another matter - I reckon I could have floated down on a wave of sexual euphoria.
