Serviced apartment in large block on Warwick Road.

### The Lady:

Plain blonde woman in her mid to late 20s. Not fat but no particular shape to her. Small breasts.

### The Story:

I contacted this woman via a website showing pictures of a slim shapely girl advertised as 18 with dark hair under the name of Miss Teen 18. There were no face pix but there were a number of positive recommendations so I took the plunge. Big mistake. The woman I met was plain with dirty blonde hair and a nothing special figure. Having made the effort I stayed and did the business, but basically this was a waste of time. She gave her name as Tori. Turns out there is another girl by that name in the same agency. Basically this was your classic bait and switch. Avoid this lot. They can't be trusted.
