The Premises:

New place to me in industrial area which was quiet (it was quiet - this good friday actually was Good Friday). No Google map little yellow man help in advance but once I was close the helpful receptionist guided me in efficiently. Rooms busy so happily had time to gauge that this was a pleasant place and had my view from her photos on their site confirmed many times over that Ciera was the girl for me to see as she was in the room sorting out her hair. Had shower downstairs then taken up to large and pleasant room.

The Lady:

Petite, attractive mixed race lady with lovely breasts and super bum. Darker skin than in pics that don't flatter her. Friendly manner.

The Story:

In the room Ciera (like the car but suitably more exotic spelling) said she thought she recognised me and I now think she was right - from at least 2 years ago - amazing. Anyway, got on well from the start and agreed on owo for 10.

Massage mainly taken as we were talking so much then Ciera made the owo very effective with whatever she was doing with her mouth. Readily agreed to 69 and had good time like that.

Ciera has a very trim body with perfect bum, really nice breasts with distinctive nipples and could pass for younger than her real age.

The sex felt great in mish and then also from behind with that perfect bottom in view and in reach.

Finished with hj and more easy chat.

Really enjoyed my first visit here and sure to return.
