The Story:

Not sure if it was just me but she really did not do it for me, i was very keen and awaited her to join me in the room, i was dissapointed the shower was broken as i like to freshen up before a punt and before i slip my tiny thong panties on. Ashley entered the room but just did not seem up for it, very little interaction she gave a massage tickled my balls and asked me what i wanted she said she offered all services and liked ANAL all was extra, after rubbing my cock she slipped on a condom and gave me oral it was ok. She bent over the bed and asked me to shag her doggy style again okay. She then lay on the bed and played with her pussy which was dissapointingly not that well groomed but to be fair she did show plenty of pink to me. We finished in mish with her finally seeming slightly interested whilst telling me to shoot my cum in her cunt but overall it never really happened for me with Ashley.

Service Provider's Rebuttal

Ashley writes:

this report makes me sound scruffy and unkept not to mention fat. all this is not true. i take great pride in my cleanliness and appearance. as far as me not being well groomed it was barely enough to notice and very rare that im not completly smooth, only due to a brazillian that i had booked. im always friendly and enthusiastic when entering a room. i deeply regret that it didnt really happen for v man. all i can say is im not everyones cup of tea, but i am mosts lol xxx
