The Premises:

This is a typical walkup on a busy street. The inside is very spacious and clean.

The Lady:

The card on the wall described Ella as a slim, Italian girl. She is quite tall, a bottle blonde and around a dress size 10 to 12. She was wearing a mini skirt and black boots. At that point I was looking forward to seeing her ample C cup breasts.

The Story:

Ella removed her red bra to reveal a nice sized pair of breasts with really large areolas. Sadly they were quite saggy which was disappointing. I turned my attention to her sexy, round bum and legs.

The session started with O without and it was very enjoyable. We then had sex in the missionary position and Ella tried to get me to come quickly by squeezing her muscles. I hung on and pumped away for a couple more minutes before exploding.

If Ella could get her boobs lifted and revert back to her natural hair colour she would improve her rating.
