The Lady:

Definitely a MILF, but she doesn't look her age. She looks at least ten years younger. An extremely attractive lady, with a great body.

The Story:

I initially made the booking, through Tamsin, and was guided to the location. I got the money out of the way, and sat chatting and having a drink with Lexi to start off with. I suggested that we start off with a shower together with. This she was happy enough to oblige with. We went in to the bedroom and undressed. However, I had to point out to her, on the way to the bathroom, that she still had her sexy knickers on. She informed me that she had recently had a bath, and didn't want to get her hair wet. This was reassuring to know. We spent a while together in the shower, before returning to the bedroom and drying off. She climbed onto the bed and reached up towards the pillow to obtain the condom. I seized the moment to check out her naughty side. As she was reaching forward, with her arse in the air, I moved up behind her and quickly got my tongue deep into her sexy arse. She didn't flinch or object. I spent several minutes rimming her before she rolled onto her back. I then got my tongue into her sweet and delightful pussy. I commented on her arse, and she remarked that she wasn't an anal virgin. However, anal is not a service which she offers. She then beautifully sucked my cock before I fucked her doggy style on the bed while we looked in the mirror alongside. We collapsed, almost exhausted. We got dressed, and the 30 minutes had sadly gone too quick.
